Ref: Product Discontinuation / End of Life Notice

Due to exponential cost increases of the CONM6A family AC cord sets, we are discontinuing them immediately.

They will be directly replaced at a reduced list price by the CONH6A family. The CONM6A will remain available only while inventory lasts.

Carlo Gavazzi is eager to assist you during this transition. While we regret any inconvenience this announcement may have caused, we are looking forward to continuing to support your sensing needs. Please contact us if you have any additional questions.

Sincerely,
