**Ref: Product Discontinuation / End of Life Notice**

As Carlo Gavazzi develops and introduces new products to best serve our customers, we continually review the product lifecycle of the existing portfolio. As we navigate these unprecedented times, on occasion critical components become obsolete or difficult to obtain.

To adapt to changing market conditions and to streamline our offering, Carlo Gavazzi is announcing the immediate discontinuation of specific items in our EM24 energy meter family. The last time buy date is limited to inventory on hand and available on a first come first served basis.

Most of the items that are discontinued have alternatives readily available. Please see the next page for items impacted. Unfortunately for specific cross references to a replacement part there are numerous application variables which must be discussed with a member of the Carlo Gavazzi Controls team at [controls@carlogavazzi.com](mailto:controls@carlogavazzi.com).

As always, please contact Carlo Gavazzi for assistance or with any questions.

Sincerely,

Mauro Dresti
